

Job Position: Full Time Pelvic Physical Therapist (DPT) at Inland Pelvic Health & Physical Therapy

Location: Hayden, ID

Employment Type: Full-time

Business: Inland Pelvic Health & Physical Therapy

Join the Inland Pelvic Health Team!

Inland Pelvic Health & Physical Therapy is growing and we are looking to add a full time Doctor of Physical Therapy who is interested in pelvic physical therapy. Pelvic Physical Therapy is becoming a household name and Inland Pelvic Health is the premier specialty clinic in the Inland Northwest for all pelvic conditions. We work with people through all ages and phases of life with all different pelvic conditions. We have a position here for you that will allow for growth and progression in pelvic health, and you will receive the support that you need. Make the move to grow your career as a team member here at Inland Pelvic Health & Physical Therapy.

The Ideal Candidate will Have:

- A Doctor of Physical Therapy degree from a CAPTE-accredited physical therapist education program
- License to practice Physical Therapy in the state of Idaho
- Motivation to work in a pelvic specialty clinic
- A strong focus on patient outcomes
- Desire to progress pelvic health education and implement new and progressive interventions
- Strong leadership skills and a willingness to collaborate with a team of pelvic trained physical therapist assistants

Compensation and Benefits

- In addition to your salary, we have bonus programs that provide an exchange in abundance to support your lifestyle and family needs.
- We have a competitive benefits package with health, dental, vision, and life insurance of your choice.
- Paid time off
- Contribution matching for a Simple IRA plan, with the potential of profit sharing and 401k bonuses - we want you to retire well
- On site pelvic specific training starting immediately with continued guidance and mentorship. Minimal to no experience needed, just a willingness to commit to learning and progressing
- Continuing Education reimbursement up to \$1000 per year to help you take classes you need to progress your pelvic health education
- Potential to grow into the position of clinic director in new IPHPT clinic locations.

Job Responsibilities and Duties

- To effectively evaluate, assess and diagnose pelvic dysfunctions of patients while incorporating a holistic approach for all treatments
- To accurately document and bill in a timely manner
- To collaborate with a treatment team (PTAs) and non-clinical team members
- To promote and participate in the company mentorship program and professional enhancement days for the clinical staff
- To participate in the interview and onboarding processes
- To effectively educate the public via workshops, videos, and other informational content

What sets us apart from our competition?

We have created the only clinic in our area that specializes specifically in pelvic health. Inland Pelvic Health & Physical Therapy provides the inland northwest with exceptional care from providers that are skilled and experienced in pelvic conditions. We strive to be the leaders in the community for treating all pelvic cases: women during pregnancy and postpartum, women going through menopause, men and women with

pelvic pain, men with pelvic dysfunction including prostate and erectile dysfunction, and transgender pelvic conditions.

Team Members are the heart and soul of Inland Pelvic Health & Physical Therapy - we are your career development training center! Our philosophy is to have smart and progressive therapists.

- You will have the opportunity to obtain advanced certifications and learn the latest techniques for helping your patients.

It is important to us that you do what you love - we can develop what you're good at and what you care about.

We are a locally owned and physical-therapist-owned private practice.

Where Our Practice is Today:

- We were voted as a finalist for the 2020 and 2021 "Best Of...Physical Therapy clinic in the Coeur d'Alene Press (our 1st year in operation!)
- Laura Steininger, DPT, Owner was a winner of the Kootenai County Top 30 Under 40 for her progressive plans for pelvic health in our community
- We are rapidly growing; IPHPT moved into a larger clinic space in Feb 2022. There are big plans to open additional clinics around the inland northwest.

Act now by sending your cover letter and resume! We invite you to apply and learn more about our company through Facebook, Instagram, and at www.inlandpelvic.com
